Sweet Dreams

~ Make a Sweet Difference ~

Mental Health First Aid teaches you how to identify, understand and respond to signs of mental illnesses and substance use disorders. This 8-hour training gives you the skills you need to reach out and provide initial support to someone who may be developing a mental health or substance use problem and help connect them to appropriate care.

Programs like MHFA cannot happen without your sponsorship. Proceeds from Sweet Dreams will sponsor 1,000 Collin County residents to attend Mental Health First Aid training classes provided by LifePath Systems.

Should you have any questions about LifePath Foundation, LifePath Systems or MHFA training please visit our website at www.lifepathfoundation.org or contact Diane Kazlow, Director of Special Projects at dkazlow@lifepathsystems.org or 972-562-0190 ex. 6209.

Please consider joining our efforts to “make a sweet difference” in the lives of countless individuals struggling with mental health issues in Collin County.
